Salt Point Beverage Company

Looking for a way to jazz-up the bar menu at your next holiday party? Salt Point is fundamentally changing the way people entertain at home by creating consistently delicious, bar quality cocktails in a can, shattering the traditional stigma associated with this category. Based in Marin County, the company derives its name from Salt Point State Park.

Beverages include: Moscow Mule (a tasteful blend of 6x distilled craft vodka, small batch ginger beer and lime), Greyhound (a bright and citrusy blend of 6x distilled craft vodka, grapefruit, lime and seltzer) and Gin Highball (a balanced and delicious blend of aromatic gin, seltzer, cucumber, lemon and a dash of bitters). All cocktails are small batch and crafted with all-natural ingredients. Salt Point's cocktails are available in stores throughout California, most notably Whole Foods Markets, Mollie Stone's Markets and Nugget Markets.
