Dear Club Member:

I am very excited for the upcoming winter season and the unveiling of our renewed “alpine elegance” decor in mid December! I look forward to welcoming you back to Vail.

On behalf of all the Ladies and Gentlemen of The Ritz-Carlton Club, Vail I would like to wish you happy holidays! Thank you for making The Ritz-Carlton Club, Vail your home and I hope to see you at our weekly Member Altitude Adjustment reception this winter!

Warm regards,

Refurbishment Update

We are pleased to report that most of the Club renovation project is complete. Currently, the teen room and lounge renovation is underway. We look forward to an upgrade to a radio frequency identification (RFID) key system in the coming month. In addition to these updates throughout the property, new thermostats have been installed in all Club Residences. The new thermostats will provide you with greater flexibility and will reduce power consumption. Completion of the Club Residences refurbishment is scheduled to conclude in early December of 2018.

Ski Valet

We have made several cosmetic and service upgrades in the ski valet department. Most notably, we have carried the theme of “alpine elegance” into the boot room. With upgraded décor including additional mirrors and paint adorning the walls, new flooring, and a reimagined amenity station, we hope that you enjoy the finest personal service and facilities.

In Residence Beverages

We are pleased to announce that in an effort to reduce our plastic consumption, the Board of Directors has approved the implementation of Vivreau water. Vivreau still water is now available in your Residence upon arrival. In addition, sparkling Vivreau water will be available to our Members upon request. For your morning caffeine need, we have sourced locally roasted coffee from Color Coffee in Eagle, Colorado. Coffee is provided to Members in each Residence.
